Membership Incentive Program

The Michigan Interscholastic Golf Coaches Association is pleased to continue to offer a progressive membership rate to our coaches, based on the number of coaches that join from each school. This special rate will only be available until November 1 of the current year. The rate would follow the schedule below:

1 Coach	\$45
2 Coaches	\$80
3 Coaches	\$110
4 Coaches	\$135
5 or More Coaches	\$155

This special program is available to **school-sanctioned** boys and girls coaches at the Varsity, Junior Varsity and Assistant levels and brings with it all of the benefits that are part of membership in the MIGCA. This includes membership in the National High School Coaches Association.

EXAMPLE: John F. Kennedy High School has a Boys Varsity and Junior Varsity Coach, as well as a Girls Varsity Coach. Those three coaches would pay one fee of \$110 to join the MIGCA.

Schools that wish to take advantage of this incentive should fill out the attached form and mail it with payment. The appropriate fee should be paid by check (made payable to the MIGCA).

The Board of Directors and Members of the MIGCA are committed to supporting and educating Michigan Golf Coaches. Through this Membership Incentive Program, it is the intent of the MIGCA Board of Directors to bring more golf coaches of all levels to our organization. In so doing, it is our hope and desire to share the honor, camaraderie and spirit of the game with more young people throughout Michigan. Visit our website for more information.
